

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE

(Insurance company's name and address)

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to (your application) (information you have furnished), you intend to terminate existing Medicare supplement insurance and replace it with a policy to be issued by (Company Name) Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision you should terminate your present Medicare supplement coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT (BROKER OR OTHER REPRESENTATIVE):

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement coverage because you intend to terminate your existing Medicare supplement coverage. The replacement policy is being purchased for the following reason(s) (check one):

- _____ Additional benefits.
 _____ No change in benefits, but lower premiums.
 _____ Fewer benefits and lower premiums.
 _____ Other. (Please specify)

1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. (If the policy or certificate is guaranteed issue, this paragraph need not appear.)

DO NOT CANCEL YOUR PRESENT POLICY UNTIL YOU HAVE RECEIVED YOUR NEW POLICY AND ARE SURE THAT YOU WANT TO KEEP IT.

2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
3. You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
4. The benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your policy will be reinstituted if requested within 90 days of losing Medicaid eligibility.
5. Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

DISCLOSURE STATEMENTS

Instructions for Use of the Disclosure Statements for Health Insurance Policies Sold to Medicare Beneficiaries that Duplicate Medicare

1. Section 1882 (d) of the federal Social Security Act [42 U.S.C. 1395ss] prohibits the sale of a health insurance policy (the term policy includes certificate) to Medicare beneficiaries that duplicates Medicare benefits unless it will pay benefits without regard to a beneficiary's other health coverage and it includes the prescribed disclosure statement on or together with the application for the policy.
2. All types of health insurance policies that duplicate Medicare shall include one of the attached disclosure statements, according to the particular policy type involved, on the application or together with the application. The disclosure statement may not vary from the attached statements in terms of language or format (type size, type proportional spacing, bold character, line spacing, and usage of boxes around text).
3. State and federal law prohibits insurers from selling a Medicare supplement policy to a person that already has a Medicare supplement policy except as a replacement policy.
4. Property/casualty and life insurance policies are not considered health insurance.
5. Disability income policies are not considered to provide benefits that duplicate Medicare.
6. Long-term care insurance policies that coordinate with Medicare and other health insurance are not considered to provide benefits that duplicate Medicare.
7. The federal law does not preempt state laws that are more stringent than the federal requirements.
8. The federal law does not preempt existing state from filing requirements.
9. Section 1882 of the federal Social Security Act was amended in Subsection (d)(3)(A) to allow for alternative disclosure statements. The disclosure statements already in Appendix C remain. Carriers may use either disclosure statement with the requisite insurance product. However, carriers should use either the original disclosure statements or the alternative disclosure statements and not use both simultaneously.

Some health care services paid for by Medicare may also trigger the payment of benefits from this policy.

This insurance provides limited benefits if you meet the conditions listed in the policy. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

Medicare generally pays for most or all of these expenses.

Medicare pays extensive benefits for medically necessary services regardless of the reason you need them. These include:

- hospitalization
- physician services
- hospice
- other approved items and services

This policy must pay benefits without regard to other health benefit coverage to which you may be entitled under Medicare or other insurance.
